

## What is a Suffix?

A suffix is a group of letters that can be added to the end of a word, to change its meaning.

|            | to change its meaning.  |                   |
|------------|-------------------------|-------------------|
| Suffix     | Meaning                 | Example           |
